Important Additional Information

- All photos include minor touch up. However, if you request that *extensive* acne, scarring, razor burn etc. be touched up, there is an additional fee of \$15 per hour.
- If you would like your photo shoot at multiple locations, travel time is part of the allocated time slot. So please choose your locations wisely. If it takes 30 minutes to travel from one location to the next, that reduces the amount of time for photography.
- Your photos will be timeless if you dress wisely. It is best to wear solid colors – it is preferred that you not wear stripes, florals, bold prints, or plaids as these detract from the main subject – you.
- Bring to the shoot anything you would like incorporated into the photograph such as your car, dog, sports equipment, motorcycle etc. However there is a fee of \$50 for each additional person in the photographs.
- Use hairspray if necessary, allow for the wind.
- It is fine to bring a friend with you to the shoot. It helps keep you relaxed and they can help touch up makeup or hair.
